Members of CLSPS Executive Committee met on Sunday, 27 January at the New Bern Craven County Library to plan activities and events for the coming year. We will try something new this year with a yard sale to benefit our Squadron for donated boating equipment at the Fairfield Harbor parking lot sale on Saturday, April 6 at 7:00 am to 11:00 am. Kyle Hale will chair the event. We have on hand some items donated by members who no longer have their vessels and we appreciate the donation. We will update the calendar on our CLSPS website with the dates of the meetings and activities planned for the coming year.

New Bern Sporting Goods will again prepare a temporary website for Squadron members to order directly new merchandise with the America's Boating Club® logo. A flyer will be attached that shows the shirts, jackets and hats available. There will be a deadline for ordering and we hope to have the merchandise available at the March meeting.

New Bern and CLSPS burgee will be added under the ABC logo.

Congratulations to our newly elected officers for 2019-2020. Our Change of Watch is fast approaching and we look forward to seeing you on Saturday, 16 February 2019, at 10:30 am, at the New Bern Golf and Country Club. Please join us to thank the outgoing Bridge and Executive Committee and welcome the incoming Bridge and Executive Committee. We will have a Southern Style Breakfast Buffet. D27 representative D/Lt/C Hugh Hayes, JN and his wife, D/Lt Sara Hayes, JN, of the Shallotte River Sail & Power Squadron will join us for the Change of Watch.

We welcome P/C John Kwak, JN who requested transfer to our squadron from the Mid-Hudson Power Squadron. John and his guest, Juli Voelker attended our January meeting. They relocated to New Bern last year. John was born in The Netherlands and came to the USA in 1953. He is a civil engineer with a PE license in NYS. His last job before retirement was as City Engineer for City of Kingston, NY. Completed the Great Loop on his sailboat, *Dutchess*, in 2015. *Dutchess* is now for sale.

The United States Power Squadrons® Annual meeting will be 18-24 February at the Rosen Centre Hotel, Orlando, FL.

## Education Department News

### Instructor Development has started

Our Instructor Development class started on January 29, with Don Oltz instructing. We have six students in the class for initial certification; three of our existing instructors have already been re-certified. The class will add to our excellent cadre of CLSPS instructors.

### ABC starts March 2 at CCC

The spring session of America's Boating Course starts March 2 at Craven Community College as part of their Adult Enrichment Program. Instructors are Lloyd Moore, Van Allen Rice, Jim Stevens, and Dan Cashman. Full information on the schedule, course content, and registration is available on the CCC website [here](#). If you know of new boaters, or new-to-the-area boaters, please direct them to the class. This course will get you the NC Boating Education Certificate, which is required for boaters born in 1988 or later. There are other classes available, but ours is the only area class that includes an introduction to piloting and time spent on the water reinforcing the classroom material.

### Boat Handling starts April 6 at CCC

A new Boat Handling class has replaced Seamanship in the USPS Advanced Courses lineup. We're offering Boat Handling to both CLSPS members and the public at CCC beginning April 6. It will be a two-Saturday plus Sunday afternoon on-the-water class. More information and registration instructions will appear on the CCC website soon. Stay tuned for more info.

### Your new SEO is Van Allen Rice

At our Change of Watch on February 16, Van Allen Rice will be installed as the new SEO for CLSPS, Bud Ellis is taking on the duties of Assistant SEO. Van and Bud make an enthusiastic and very experienced leadership team for our Education Department, and I'm delighted to be handing off to them. Please give them your full support.

I have thoroughly enjoyed my three years as SEO. It's been great working with the outstanding members of our Executive Committee and our superb instructor group. We made some progress in beginning to offer ABC (and now Boat Handling) as a two-day classroom course with time on the water following the classes. Developing our relationship with Craven Community College has made excellent teaching facilities available to us, and has eliminated the need to register and charge students directly for our classes.

My only disappointment has been the lack of enthusiasm among our more mature membership for the education program. I encourage you to identify areas you'd like to learn, and contact Van to see about educational support. We offer traditional classes, short seminars, and self-study opportunities. We'll make it easy to get the knowledge you need!

## Administrative Officer

Lt/C Lloyd Moore, JN

## Vessel Safety Check program

Thanks to all the members who had enough confidence in me to elect me as the Administrative Officer in America's Boating Club, New Bern. When you're running unopposed, it would really be discouraging to lose the election.

My goal this year is to plan and schedule interesting and fun squadron activities that will appeal to all our members, and to get more members to participate. I realize that not every activity will appeal to every member, so my thoughts are that we need enough diversity of events so that there will be something for everyone.

We are, first and foremost, a boating organization, so boating activities will be a high priority. In the past few years, there hasn't been much interest in longer cruises, so I intend to include more day cruises to interesting points of interest in our area, with an emphasis on trips accessible by power boats.

Several tentative destinations were discussed in our Executive Committee's planning session, and as we approach the boating season, we will publish our cruising/boating schedule for the year.

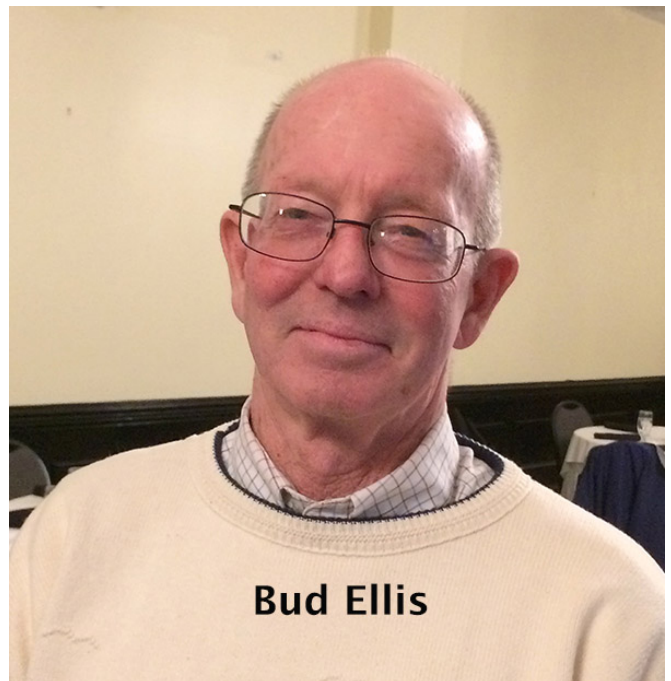

Non-boating events have been popular, too, like tours of boat builders, wine tastings, and day trips to places like the NC Aquarium, Fort Macon, and Sylvan Bird Park. Watch this space for details as plans get finalized.

The next Membership meeting will be on Monday, 18 March in the Chelsea Restaurant. Please use the enclosed sign-up sheet so we can let the restaurant know how many to plan for. If you haven't made your reservation for the Change Of Watch on 16 February, do it now! It should be a great affair at the New Bern Golf and Country Club. I hope to see you all there.

Even in February there are a few days where boating is feasible. In fact if you live any where near the Trent River you will see boats zipping past almost every day. Are they ready safety wise for a new season? Only the captain knows.

Are you ready for a new boating season? Now is the time to do a safety check, as well as a mechanical check, to insure once you are ready to get underway your vessel will cooperate with you.

We have the new 2019 decals which we will begin passing out in March, or before if you request. So see one of the team and get ready for being on the water.

**Bud Ellis**

## Jump Start Program

At the D/27 Training session in January I learned about the new Jump Start Program. This program pairs a new boat owner with a USPS member who is familiar with and has experience on the type of boat involved. The idea is to give the new boat owner some coaching and hands-on training on his new boat.

The on-the-water session is usually about 2 hours, and covers topics such as boat handling, boat systems, performance, maintenance, safety and USCG required equipment. The vessel must have passed a Vessel Safety Check. Only the boat owner will operate the vessel, with the member acting as a coach.

This could be a great recruiting opportunity for our squadron, meeting new boat owners and introducing them to USPS membership benefits. If you'd like to get involved as a coach/mentor, please give our Education Officer, Van Allen Rice a call. We'll schedule a training session for coaches in the near future.

### Sunshine Lady

Lt/C Linda Whitley

The Sunshine Lady has sent out Get Well Cards to:

P/C Wayne Fretwell (double knee replacement),

P/C Ed Gagnon (hospital), and

Lt/C Ray Whitley (double cataract repair)

## Booster Club

Thanks to all the members that contributed to the Booster Club at January's Annual Meeting. Money collected from our members helps defray the cost of our Dinner Meeting speakers.

Only a small portion (about \$17) of our dues to USPS is returned to the Cape Lookout Squadron. We need help keeping our books in the Black. Please contribute to the Booster Club. Any amount is helpful, but \$10 per person is a suggested amount

### \*\*\*Spring Cleaning – Save the Date\*\*\*

On April 6th, 2019 - 7am - 11am CLSPS will host a Garage Sale in the Fairfield Harbor Parking Lot. We will be renting 2 parking spaces and hope to fill them up with all the boating equipment and accessories that we can collect from donations. Please search your garages, attics, basements, and holds for anything nautical that you no longer want or need. Proceeds will go to the CLSPS Booster Club to help provide fund activities for the club.

Some things you might consider donating:

Fenders, dock lines, flags, radios, flotation devices, fire extinguishers (good), bells and whistles, boat hooks, hoses, shore power cables, nautical decor, charts, nautical books and manuals, flashlights, coolers, dishes and cookware, foul weather gear, fishing equipment, practically anything will be gratefully accepted! Please call me to make arrangements and I will come and pick up your donated items.

Hope to see you there!

## **I'M SORRY, IT'S NOT THE SAME ANYMORE**

**P/C WILLIAM J. ASH SN, H.**

The sacred season of Christmas left me in a state of torpidity. I apologize, but there is little I can do for this. I continually fail to get the energy to drive ahead with purpose to meet my goals. I need energy but, strangely, what I really need is to relax and get my life back on track. Perhaps I am not adjusting to change as I should. The year 2019 is not 1960. Will you bear with me as I try to explain my way out of this mental dilemma? Also, please appreciate that the year after next I shall be ninety years of age, so give me a break. All this relates to USPS. Yes, change in what goes on.

In 1960 I answered a notice in the local Hampton Chronicle by attending the first meeting of the beginning lecture series called *Piloting* given by the *Peconic Bay Power Squadron*. Persons unfamiliar with boating could sign up to take a 15 week course on how to operate a boat. Each session lasted at least two hours. Rules of the road, engine maintenance, types of boats, charts and plotting, weather, emergencies, you name it! Most, but not everyone passed the course. Those considered for membership in the squadron were given an interview with squadron members asking a variety of questions to learn whether the apprentice would be comfortable in the organization. If you muffed the interview you were not selected. This procedure was practiced nationwide. Today, it is nothing like that. Two or three Saturdays and you complete most of the requirements.

Oh yes, all the instructors wore uniforms. They looked sharp and professional. They had no computers. They had notes, they had overhead projectors and blackboards. Discussions, usually, were the icing on the cake. Great fun.

The squadrons participated in flag raising ceremonies throughout all of Long Island, from Brooklyn to the west and to Montauk and Orient Points to the east. There were large turnouts. Things were not as touchy back in 1960.

A Squadron Change of Watch was attended by members in uniform accompanied by first mates in evening dress. The COW was a special event attended by District and National Officers. We looked our very best. Felt good.

I would love to return to the 50's to watch USPS grow to over seventy thousand members. What is that number today? Maybe thirty thousand? What is that telling us? Have we been changing for the better? I'm still a member of USPS. We are much more than a club. Read about our history! You will be surprised. I sincerely hope I have not disturbed you with all this, but that's how I see it. Things have changed, yes they have."

**P/C Ed Gagnon**

## June's Jokes

P/C June Reasons, P

### Valentines EATING TIPS

1. Avoid carrot sticks. Anyone who puts carrots on a party buffet table knows nothing of the party spirit. In fact, if you see carrots, leave immediately. Go next door, where they're serving rum balls.

2. Drink as much eggnog as you can. And quickly. It's rare. You cannot find it any other time of year but now. So drink up! Who cares that it has 10,000 calories in every sip? It's not as if you're going to turn into an eggnog-alcoholic or something. It's a treat. Enjoy it. Have one for me.

3. If something comes with gravy, use it. That's the whole point of gravy. Gravy does not stand alone. Pour it on. Make a volcano out of your mashed potatoes. Fill it with gravy. Eat the volcano. Repeat.

4. As for mashed potatoes, always ask if they're made with skim milk or whole milk. If it's skim, pass. Why bother? It's like buying a sports car with an automatic transmission.

5. Do not have a snack before going to a party in an effort to control your eating. The whole point of going to a party is to eat other people's food for free. Lots of it. Hello?

6. Under no circumstances should you exercise. You can do that later when you have nothing else to do. This is the time for long naps, which you'll need after circling the buffet table while carrying a 10-pound plate of food and that vat of eggnog.

7. If you come across something really good at a buffet table, like frosted cookies in the shape and size of hearts, position yourself near them and don't budge. Have as many as you can before becoming the center of attention. They're like a beautiful pair of shoes. If you leave them behind, you're never going to see them again.

8. Same for pies. Apple\*\*,\*\* Pumpkin\*\*,\*\* Mincemeat. Have a slice of each. Or if you

don't like mincemeat, have two apples and one pumpkin. Always have three.

When else do you get to have more than one dessert..... Labor Day?

9. Did someone mention fruitcake? Granted, it's loaded with the mandatory celebratory calories, but avoid it at all cost. I mean, have some standards.

10. One final tip: If you don't feel terrible when you leave the party or get up from the table, you haven't been paying attention.

***Re-read tips; start over, but hurry, Labor Day is just around the corner.***

Remember this motto to live by:

Life should NOT be a journey to the grave with the intention of arriving safely in an attractive and well preserved body, but rather to skid in sideways, chocolate in one hand, body thoroughly used up, totally worn out and screaming "WOO HOO what a ride!"

## Ships Store

Lt Tandy Hale, P

I NEED YOUR HELP: I have been authorized by the Executive Committee to slash prices on some of our older inventory, those items with the "old" USPS logo must go in order to make room for merchandise with the new logo.

This means that **any shirt in** stock that says 50<sup>th</sup> Anniversary or has the old logo will sell for half price. That's 50% off the regular

prices as shown below **for knit shirts and denim shirts**. Get them while they last!

**Knit Shirts:** Ladies and men's short sleeve knit shirts were \$30.00 - **NOW \$15**. Sizes 2X and 3X sell for \$33.00 - **NOW \$16.50**

They are available in red, white, navy, and other colors by request.

Sizes: Ladies: S, M, L, XL, 2X, and 3X.

Men's: S, M, L, XL, 2X and 3X.

**Denim Shirts:** Denim cloth shirts come in both short and long sleeves.

They are all priced at \$25.00 - **NOW 1/2 off = \$12.50 each**. Available sizes--same as above.

**Squadron Burgee** sells for \$25.00.

**Pennant magnets** are priced at \$5. They can be placed on your vehicle, refrigerator, or potentially anywhere!

**Hats and Visors** are **ONLY \$10**.

**Fleece jackets:** Men and Women--sizes: S, M, L, and XL sell for \$42.00 - **NOW \$21.00**; XXL = \$45.00 - **NOW \$22.50**.

**Fleece Vest:** We have navy, but other colors can be ordered.

Sizes: S, M, L, and XL (Ladies and Men's) sell for \$36.00 - **NOW \$18**. XXL = \$40.00 - **NOW \$20**.

You can contact me at 252-259-0468 (please leave a message if no answer), or email me at

[tandy.l.hale@gmail.com](mailto:tandy.l.hale@gmail.com).

We have a new logo. **America's Boating Club®** is ready for us to add to our merchandise collections. We can bring in a Squadron shirt and have the America's Boating Club® sewn on the left sleeve for \$9.00 ea. There is a website coming soon where you will be able to place your individual orders for new shirts, vests, hats, decals, etc. The website is time sensitive, so think about some items you would like to order and keep your eyes/ears open for upcoming dates and the link.

In addition to cleaning out your boating excess for our **Squadron yard sale**, please consider donating to support the families in Eastern NC affected by Hurricane Florence. Many are still without beds, furniture, and ways to cook. Any and all new or gently used items are welcome. 100% of funds will go back to the community!

You may call Tandy Hale: 252-259-0468 or Jasyn Griffith: 252-631-5337 for item drop off and/or pick up. Thank you for your support in rebuilding our community. Craven County Disaster Recovery Alliance
